MARTIN FAMILY QUARTERLY, P. O. BOX 140880, DALLAS, TX

ISSN 0099-1864 Michal Martin Farmer, Editor 75214

This quarterly magazine is published for persons doing genealogical research on Martin families in the United States from the first settlements to the present. Our purpose is to document Martin families using public documents and family records.

Queries are published free for our current subscribers and each subscriber is entitled to one query in each issue. Queries are not published for non-subscribers. There is no word limit, but we reserve the right to edit. Try to include as many dates and places as possible as to marriages, children, places of residence, etc. Please put your query on a separate sheet of paper and write "query" at the top of the page. We will not print queries if they are just a surname list, because these are of no value to anyone.

We want no errors in this quarterly. If you know of any error please notify us as soon as possible.

The Quarterly is published in May, August, November and February with a subscription rate of $10.00 per volume. All subscriptions begin with the May issue. Issues delivered in Texas should include 5% sales tax (50¢ for $10.00). Contents of back issues will be sent on request.

The first issue of the Martin Family Quarterly was Vol. I, #1, May, 1975. It has been published quarterly since that date.

The Martin Family of America by Louise Martin Mohler, 1983, 111 pages, 7" x 8 1/2", soft cover, saddle stitched, $10.00 from the author, 1098 Redstone Road, Washington, Pa. 15301.

With the help and assistance of twenty-one contributors and genealogists Mrs. Mohler has done an outline of the descendants of John Martin (c1618-1687), and his wife, Esther Roberts, of Dover, New Hampshire and Piscataway, New Jersey.

The book includes nine pages of charts as well as what Mrs. Mohler believes is the most logical lineage of John Martin going back eight generations in England.

A 3,000 name index is included. The following is an example of listings:

Humphrey Martin 1735-1805 m 1756 Experience Piatt -1813
d/o James & Ruth Drake/Fitz Randolph
James Martin Sr 1758-1825 m 1780 Mary Fitz Randolph 1759-1846
Randolph Martin 1781-1788
James Martin Jr 1784-1858
Elizabeth Martin 1786-1839

The Martin Family in America - continued

Jonathan Martin 1789-1844
Experience Martin Dunham 1792-1824
Mary Martin 1796-
Humphrey Martin 1800-1871
Evi/Eli Martin 1795-1795

Some of the listings contain localities, but there is very little documentation.

Mrs. Mohler's other books, The Martin Family of Ohio, Book I (Descendants of Peter Martin, son of Cavalier Martin) $8.00 and The Martin Family of Ohio, Book II (Ancestors of Peter Martin) $5.00, are also available.

If you have Martin ancestors in New Jersey or Ohio all three of these books would be useful.

From the Editor

The increase to 200 pages per volume for the Martin Family Quarterly beginning with Vol. X will allow enough space to publish the backlog of Subscriber Lineages as well as query answers.

All subscribers may have their lineage published in the quarterly. The lineage must be documented and should be sent on group sheets or in outline form and labeled "Subscriber Lineage."

The reason I ask that queries be marked query and submitted on a separate sheet of paper is that some people send their information and don't want it published. I must know if the material sent is meant for publication in the quarterly or to be added to the files.

All contributions on any Martin family are gratefully accepted. Marriages, probate records, deed records, tombstone inscriptions, bible records and photographs of Martins are always welcomed. If you don't want to duplicate records already in the files just write and ask and I'll let you know if it is already on file.

Need to verify parents of John W. Martin, b. 19 Oct. 1837, Bliss, Mo., d. 20 Oct. 1921, Fertile, Washington Co., Mo., m. Mattie Miller; James H. Martin, b. 1841, Mo., d. 24 Dec. 1919, Sequoyah Co., Okla., m. Mrs. Martha Elizabeth Odom Coffey; Margaret Martin m. Dave Romine, lived Fortescue, Holt Co., Mo.; Rachel Martin m. _____ Canute; Mary Martin m. _____; Jane Martin; Maggie Martin m. _____ Johnson. Tradition says the parents were Mary Penrod and James Martin, both b. Ky. This is incorrect as the 1850 census of Osage Co., Mo. has George W. Martin, 28, b. N. C., no wife given and children: William, 9; James, 7; John, 3; Lucinda, 1; all b. Mo. The 1860 census of Maries Co., Mo. has: William Martin, 19; wife, Rachel, 19; and Elizabeth, 2/12. Also in census: George Martin, 37, b. Tenn.; wife, Elizabeth, 36, b. unknown; James, 17; John, 15; Lucinda, 11; Louisa, 9; Leander, 4; Elijah, 3; and Benjamin, 1; all b. Mo. Howell Co., Mo. 1870 census has: James H. Martin, 26, b. Mo.; wife, Elizabeth (Odom), 30, b. Tenn.; Elizabeth, 4; Lucinda, 2; Marion Coffee, 10; and Robbert Odom, 22; all b. Mo. Census also has: Samuel Spears, 20, b. Ill.; wife, Lucinda (Martin), 20, b. Mo. Therefore, the father of John W. and James H. Martin must be George W. Martin, not James Martin. Desire correspondence with Osage and Maries Co., Mo. Martin descendants and those married into Coffey/Coffee, Boone, Orr, Petty and Odom families. Appreciate any clues.
